

What's Buzzin' at Georgia Tech? Fall 2022 Webinar Series

"What's Buzzin' at Georgia Tech?" webinar series was created two years ago to provide helpful information and resources to ensure that GT families stay informed and connected. Our goal is to continue to provide relevant topics in a timely manner to support student success at Georgia Tech. All of our sessions* will be recorded and posted to our website within 24 hours after the event: <https://parents.gatech.edu/stay-connected/virtual-workshops>

*the 11/9/22 QPR session will not be recorded

Tuesday, August 23 at 12:00 pm EST

Thursday, September 8 at 1:00 pm EST

Student Engagement at Georgia Tech

Presented by Jamison Keller, Assistant Dean and Director for Fraternity & Sorority Life; Quinn Foster Director for Student Organizations

Here's one of the best kept secrets about all colleges & universities: students who are involved outside of the classroom do better in class, get the most out of college, and are best prepared for life after graduation. The staff will share highlights from the first weeks of the academic year and upcoming opportunities. Join this conversation to learn about why co-curricular involvement is so important to GT students and how you (or your student) can get involved!

QPR for Parents: Addressing Suicide Concerns with Your Student

Presented by Andrew Stochel, Ph.D. Georgia Tech Counseling Center

Many college students have thoughts of suicide at some point in their life and many more struggle with mental health concerns. Many parents often want to give help and support to their children, but often feel unsure and uneasy about what to do. There is a great deal of taboo surrounding suicide, asking for help, and knowing what to say. Come learn about steps to talk with your student about suicide and resources to support them.

Thursday, October 20 at 12:00 pm EST

Tutoring and Academic Support

Presented by Justin Boone, Assistant Director, Tutoring and Academic Support, Office of Undergraduate Education

Watch this webinar to hear from the Tutoring and Academic Support team about the resources available to ensure your student's success. We support undergraduate students in achieving their academic goals with individual and group study sessions that foster self-regulated learning, enhance academic skills, and promote student well-being. 1-to-1 Tutoring is available to all undergraduate students for over two hundred different courses at primarily the 1000- and 2000-levels. We also offer group study with PLUS (Peer-Led Undergraduate Study) sessions which build course knowledge and skills in a relaxed, collaborative environment. All of our services are free for all Georgia Tech undergraduates!

November

Wednesday, November 9 at 3 p.m. EST

Going Global at Georgia Tech

Meg Sonstroem, Exchange Advisor

Here at Georgia Tech, having an international experience is an important tradition that helps students to develop into good global citizens, hone their academic and professional skills, and prepare to work in a global economy. During this session, we'll discuss how to get started with studying and interning abroad, what types of programs are available, and address finances. We're excited to engage with you and hope that your student will take part in these high impact programs!
