

WELCOME TO FAMILY WEEKEND 2022 REGISTRATION

Please read through these instructions or print them out to assist you with your Family Weekend registration. It should take you about 15-20 minutes to complete your Family Weekend registration, depending on the size of your family. Note: If you decide to add more people or events later, you can log back in and add those people/events up until September 6, 2022 – if the events are still available. Events have sold out in the past.

STEP 1: Once on our registration site, click the “Log In / Register” button at the top righthand side of the screen. Select “General Public”.

The screenshot shows the Georgia Tech website interface for Family Weekend 2022 registration. At the top right, there is a 'Log In / Register' button with a dropdown menu. A red arrow points to the 'General Public' option in the dropdown. The main banner reads 'PARENT & FAMILY PROGRAMS'. Below the banner, there is a section for 'Step 1: Family Weekend 2022 - GT Student Registration' with a calendar showing the date '16' and a 'Log In / Register' button. To the right, there is a 'Ticket Options' section with a 'Log In / Register' button and a message: 'Please log in to determine event availability.'

NOTE: You will receive a confirmation email at the email address you provided when creating your account. We ask that you use an email and phone number that we can use to reach out to you should our office have any questions.

STEP 2: Select the “Register” tab. Fill in the information to make an account. We recommend clicking “Yes” for email updates so you will receive any new information we send out about Family Weekend.

Fill in the information to create your profile. If you do not have a US address, use our office address: 353 Ferst Drive NW Atlanta, GA 30332. **NOTE: We will not be shipping anything to you, so the billing address on this page does not matter.**

STEP 3: Register your GT student(s) first in **“STEP 1”**, by clicking on the “Quantity” dropdown arrow to select the number of GT students in your family attending family Weekend. Click on “Select Seats.”

STEP 4: Once you have entered the number of GT students, then continue to **“STEP 2”**, to continue adding people and events to your cart. **DO NOT** enter your students name on the bottom right as that will just get erased when you add items to your cart and you will have to complete it again.

SEP 16
Family Weekend Events
Georgia Institute of Technology
Friday, Sep 16, 2022 at 10:00 AM (ET) to Sunday, Sep 18, 2022 at 1:00 PM (ET)

Step 2: Register your Family/Guests!

Now that you have registered your student, it's time to register everyone else that plans on attending Family Weekend. Please select the tickets you need for your family members to your right and proceed to finalize their registration. Once you have officially registered your student (step 1) & your family members/guests (step 2), you'll be able to add tickets to additional events throughout Family Weekend (step 3). If you need to add family members/guests to your registration at any point, you will be able to access, "Step 2: Register your Family/Guests" even after purchasing tickets to additional events.

Remember, everyone that plans to attend Family Weekend 2022 needs to be registered!

STEP 6: Now, you will select all the events your family would like to attend. Family Weekend is set up so families can attend events that they would like to participate in, such as the College & School receptions, Tailgate, or Family Fun Night at Six Flags. You will now need to add which **“Step 3”** events your family would like to attend and the quantity for each event, in you cart. Again, **DO NOT** complete the demographic information such as names, hometowns, etc. as they will get erased with each event. Once you are done with entering all your events and your cart looks correct, then you may enter in your information to the bottom right.
