The movie will start at 7 pm, and gates will open at 6 pm. Students will be able to reserve tickets on Campus Tickets for one blanket, which will be provided. Students are able to bring their families and friends that they are comfortable sitting closer than 6
feet apart with on the blanket. All blankets will be spaced 6 ft apart from one another. At the end of the night, students can take their blankets home with them to use at future movie events or while enjoying some fresh air on campus.

Key details to know about the event in Bobby Dodd Stadium:

- Individuals ages 2 and up are required to wear face coverings at all times at this event for the safety and comfort of all in attendance.
- Bags, umbrellas, weapons (including pepper spray) are not permitted in Bobby Dodd Stadium. Please make a plan for purses and other bags. - Attendees may bring empty water bottles to fill inside the stadium or one completely sealed unopened water bottle.
- It is recommended that student attendees get their asymptomatic COVID-19 testing on campus at least 72 hours prior to attending the event. For more details, go to [http://health.gatech.edu/coronavirus/health-information](http://health.gatech.edu/coronavirus/health-information)
