What's Buzzin' at Georgia Tech?
Spring 2021 Webinar Series

Our new webinar series called "What's Buzzin' at Georgia Tech?" was created to provide helpful information and resources for GT families. Our goal is to continue to provide relevant topics in a timely manner to support student success at Georgia Tech. All of our sessions will be recorded and posted to our website within 24 hours after the event: https://parents.gatech.edu/gt-parent-family-programs-virtual-recordings

Note: Sessions may be added later throughout the semester.

Student Center Programs Council
Presented by Carly Bloomingdale- Associate Director of SCPC and Erik Johnson Program Advisor, Student Center
The Student Center is often called the Living Room of campus because it is a place where students can find their communities and attend events that are engaging, interesting, and fun. Georgia Tech’s Student Center Programs Team works to provide a diverse offering of events for students to attend so that they can find other students with common interests and connect with them through events that are enriching, engaging, and an overall great time. Whether your student likes to attend events or be the one in charge of planning events, the Student Center has opportunities that will speak to them! Join two staff members of the Georgia Tech Student Center Programs team to learn about events and opportunities for your student to get involved with Student Center Programs Council (SCPC), Paper & Clay, Tech Rec, Campus Tickets, and Georgia Tech Campus Programs this semester.
