Family Weekend at Georgia Tech, virtually or in person, is a special time to connect with your student, learn more about campus life, and create special memories!

We are excited that your family has chosen to be a part of Spring Family Weekend 2021. Enclosed is information you will need to help make the weekend a special one – Yellow Jacket-style! Please read it thoroughly.

COVID-19 Specific Procedures:
If you come to campus, please remember that face-coverings must be worn in public spaces, office areas, and common areas in residence halls, apartments, Greek Housing, and small gatherings of people. We also encourage you to wear them while outside around campus. Your students are excellent role models for keeping the GT community safe with wearing their masks.
